

**INVITATION FOR BIDS
(IFB) #13-066**

HOOVERS MILL ROAD LAMINATED DECK

Summary

BACKGROUND:

The Hoovers Mill Road Bridge over Owens Creek is a pony truss bridge built in 1887 by an unknown company; however, it is similar to other bridges in the County that were built by the Wrought Iron Bridge Company in the same time period. This bridge was rehabilitated in 1996 by the County's bridge crew.

STATEMENT OF WORK:

Frederick County, Maryland (hereinafter called the "County") is seeking bids from qualified Contractors (hereinafter called the "Contractor") for the provision of all shop drawings, materials, equipment, supplies, labor and supervision to fabricate and deliver a glue laminated Douglas Fir timber deck, timber curb, and all hardware required for installation for Bridge No. 16-11 on Hoovers Mill Road over Owens Creek in accordance with the terms, conditions and specification of this solicitation.
